

1  **A HOUSE THAT GRACE BUILT**

MOVING BEYOND CODEPENDENCE TO EMBRACE GOD'S DESIGN FOR LOVE, INTIMACY AND WHOLENESS

2  **Where Have We Been?**

- We left behind a lifestyle of self sufficiency, and became willing to live life under God's terms and empowerment.
- We began to release the lies, strongholds and deceitful nature of codependence that held us in bondage
- We reestablished our relationship to God, placing Him authoritatively above anyone else in our life
- We began to "walk" this out in our practical and personal circumstances

3  **Where Are We Going**

- We need to move beyond self-protection and fear
- We need coping tools that are healthy
- We need to learn to live empowered and learn how to access our God-given resources
- We need to be aware of the spiritual realm, and how it affects every aspect of our lives
- We need to learn God's heart and purpose for relationships, and how we can change, deal with and restore current relationship issues
- We need to learn to love authentically
- We need our "theology" to become a "reality"

4  **What is this workshop about?**

- A building project
- We'll begin foundationally, and build our way into the deeper issues of relationships, from marriage and family, to friendships, to living a life of service
- Most of us need deeper healing at a level that we may not have been able to yet access

5  **What we'll address:**

- Deeper understanding of the nature of love
- Ability to see and comprehend the spiritual realm, and how it affects us
- Grieving and releasing our lives, hopes, relationships, dreams – everything – with and to the Lord
- Learning to understand the inner workings of growth – how we actually do change
- Assessing soul ties – inventory process of relationships

6  **What we'll address:**

- Dealing with relationship issues: intimacy, problems and restoration
- Building healthy defense system
- Learning to use God's "gate system"
- Developing character
- Living with an eternal perspective

7  **Workshop Set-Up**

- Teaching/Homework/Discussion Group
- Journal and homework in workbook – journal is weekly, but can use it daily.
- Homework should not be done of constraint, but recognize that you'll come under attack to not complete it
- The information in this process will not work unless we learn to eventually apply it

- Group time – webinar will not be broadcast because of sensitive information.
- Webinar will have chat time. Please let me know any ideas, needs, etc. regarding this

8  **Next Week**

- Read Chapter 1
- Complete Homework in Workbook for Chapter 1
- Begin working on personal journal.
